

*A Christmas tale for the self-insured**

**and others who want to believe*

*'Twas three days before
Christmas ...*

... and all through the place
Employees were working at such a fast pace.

Christmas goods were piled high with care,
In hopes we would finish — no time to spare.

Office folks were snug with their spreads,
While visions of profits danced in their heads.

The boss in her 'kerchief, and I in my cap
Were mighty close to a year-end wrap.

When out in the plant, there arose such a
clatter;
I sprang from my desk to seek out the matter.

Away to the plant floor, I flew like a flash,
Tore open the door and made a big dash.

Employees were coughing, looking quite sick,
When I knew what I needed was more than St.
Nick.

Lucky for us, we were more than prepared
For down the hall was Physicians Quality Care.

OCCMed Jackson ran an on-site clinic
We knew we had no reason to panic.

Created, stocked and staffed by PQC,
Our workplace clinic was the best it could be.

Docs were on hand for chronic diseases,
Acute care, shots, checkups, small injuries.

Our health care costs were kept in check,
While employees knew they had our respect.

One by one, that day, employees were treated,
Given medicine, lab work, just what they
needed

We lost little work time, got back on track
I knew my employees could finish their task.

To the OCCMed Staff, what can we say.
We are so grateful you came our way.

We appreciate Jennifer and her staff most
surely,
On Andrea! On, Nathan! On Necy and Ashley! !

Like the moon on the breast of a new-fallen
snow

We knew it was time for OCCMed to go.

I heard them exclaim, 'ere they drove out of
sight —

*"Happy Christmas to all
and to all a healthy night!"*

OCCMed Jackson will close at 3 p.m. Christmas Eve and close Christmas Day and New Years Day!
